

Rainbowdance® Preschool Workshop

Dear Rainbowdance® Interventionists,

We are thrilled to announce our Preschool Rainbowdance® Workshop on **November 15, 2024**, and to be together with you all again. This workshop is open to anyone who has completed the Basic Rainbowdance® Training.

Rainbowdance® for preschool children (ages 3-5) continues to reinforce trust and stability through the use of repetitive and integrated movements and sound. Activities that encourage exploration of the environment are framed by familiar beginning and ending circles. Through stories and movement improvisations children explore their relationships to each other, practice self-regulation and modulation, and experience the natural world as home. Individual and group esteem is enhanced and dynamically woven into the Rainbowdance® experience.

During this workshop you will learn the preschool model of Rainbowdance®, appropriate for children ages 3-5 years old, which includes the Flower Garden, Looby Loo, and various adaptations. We will also review a variety of Story Improvisations.

We thank you all for your commitment to the work in your field and at your sites. We look forward to seeing you!

Warmly,
Ashlyn & Bella
